Permaculture and Me

- Permaculture Design Course at Sieben Linden, Germany

- Permaculture for the landless

- 7 elements of Community resilience

Speak Street

- Fun Social Learning

- To improve individual skills and confidence

- To bring communities together
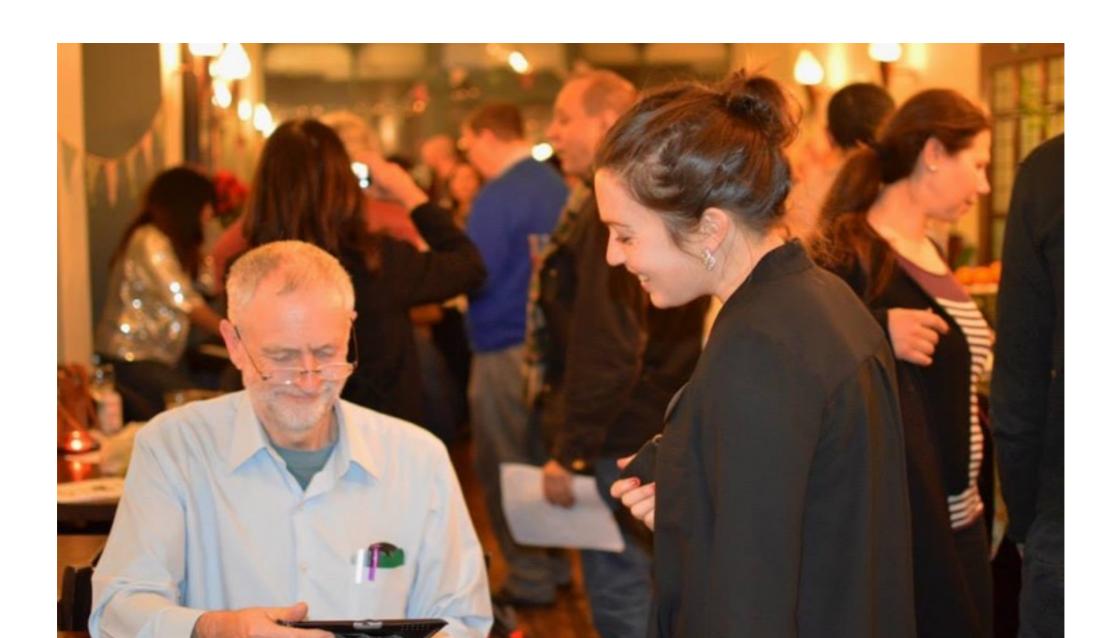

- To celebrate our diverse communities

How it works?

- Pop up sessions

- Existing cafes and community spaces

- Volunteers

The story so far…

- 4 Boroughs, 8 locations, over 300 participants and 100 volunteers

Permaculture principles

- Integrate rather than segregate

- Creatively use and respond to change

- Use and value diversity

- Observe and interact

- Use edges and value the

- marginal

Beyond Permaculture

- Taking the 'cult' out of Permaculture.

- Apply to other areas of design
